This is our second time staying here and we loved it just as much as the first time we were here.
We came with our daughter, son in law and 2 grandchildren ages 6 and 9. Both very active boys. We spent our time in the pool, at the beach and snorkeling at the bottom of the steps.
Megan and Peggy were wonderful and treated us like royalty. The boys will be spoiled once they get home!
Once again, the food was amazing, I wish I could cook as well as Peggy! Megan made every day special.
We look forward to coming again,

This is our 5th visit to Quadrille Villa for rest and relaxation. We love to disconnect from our everyday lives back home. We love the jerk chicken and red beans and rice. Curried lobster was wonderful and so was the Lobster tail on another night! My favorite time is sunrise with morning coffee!
Silver Sands never disappoints and we look forward to our next return.

Quadrille Villa is a lovely house! Thank you again for another wonderful trip! What makes this house feel like a home are the ladies who so kindly cook and clean for all of us each day. Peggy is an experienced cook who made Jamaican favorites and also some comfort food too! If you haven't had her fried chicken, you are missing out! Or maybe meatballs or baked chicken YUM! Thanks to Megan too for keeping the house spotless as well as keeping us fed and happy. Dwight…you keep the outside lovely! Thanks!!!

As it goes every year the Tradewinds and tides of Silver Sands calmed our nerves and smoothed our edges. Owen enjoyed his morning swims and afternoon Mango daquiris at the bar. Amelia enjoyed her peaceful morning laps in the pool. Samira enjoyed all of the above and a particularly restorative nap in the hammock! Miriam felt renewed by many swims in the sea, the sound of the wind on the deck, and a wonderful massage.

Peggy and Megan took exquisite care of us. Every bite was better than the last. Oh, the jerk chicken and lobster night!! And Megan's thoughtful touches around the house.

This is our second visit to Quadrille, and we hope there are many more. Thanks again to Peggy, Megan and Dwight!

Seven of us came for a wedding and we picked Quadrille for all the lovely spaces to sit and the large bedrooms. It exceeded our expectations - - super comfortable beds, lots of shady places to sit, and glorious views. It was a huge bonus to be able to go down private steps to the beach. Most importantly, Shareen, Megan and Dwight were superb. The food was amazing, the house was cleaned so well and the pool too. They were all so helpful and accommodating and we were spoilt rotten! Thanks to all of you for making our stay so relaxing and special.

Our perfect Silver Sands Day, a routine perfected since our first visit in 1997, begins with either a walk amongst the Villas, some tennis or pickleball, or perhaps a snorkel trip. Next up is a beautiful brunch followed by everyone heading for the beach. Swimming, body surfing if the waves are right and a tasty cocktail at the beach bar at Silver point. If it's a bit windy we all head back to the pool for more relaxing, a few adult beverages and more belly laughs!
All this is followed by a delicious dinner, more frivolity, debates about nothing and few night caps.
These are pretty much our beach days which I will always count as some of the best days in my life. Thanks so much to everyone who made this possible!

I want to add to Daves entry that Shareen, Megan and Dwight were fantastic! Shareen made many delicious Jamaican meals. What a treat! We loved Quadrille.

Thank you for sharing your beautiful home and all the amenities! The high lite for me was being able to snorkel off the Quadrille beach…such a beautiful scene and such blue water. Also, the massages on the balcony was so peaceful. Shareen and Megan were the perfect Hosts…best Jamaican food ever. We hope to be back,

We feel very fortunate to have found Quadrille Villa. We have stayed at many different homes in Silver Sands and in many ways, this is the best. Peaceful mornings, private walk to the beach, spacious house for 8 of us and complete comfort. This is my beach that I share with others and the wonderful folks that work at Quadrille made it happen again.

Bob Brown is out of town! *AGAIN* This is Bob's 21st visit to Silver Sands Resort. He was joined by his daughter Hillary and buddy Angelo for a triple Birthday celebration. A couple of Texans (Jen & Chris) joined the party too. Although Quadrille is a beautiful villa with an amazing view, it wouldn't be the same without Shareen and Megan. Megan kept us organized and clean. She quietly moved around the villa and made it look like we just arrived. Then there's our favorite CHEF….! Shareen made ordinary food taste extraordinary! Seriously everything she made was delicious. From her Jerk chicken and potato salad to her Rosemary chicken with special sauce…oh and the Shepherds pie! YUM! Then she topped it off with the BEST key lime pie and a birthday cake (with special ingredients) to celebrate our favorite people. Shareen is a precious gem with a friendly and warm personality that made us all feel at home. Although we didn't see Dwight often, we knew he was around because the property is beautifully landscaped, and the pool was sparkling every day.
Thank you all for a wonderful 10 stay at Quadrille!

What an amazing time! The views are breathtaking and the Villa placement on the cliffs over the ocean cannot be beat. My legs are stronger for the steps down to the landing and the beach.
We then took sanctuary on the hammocks,..reading and napping. Thanks so much to Shareen, Megan and Dwight for taking such good care of us.....our space, our bellies and our spirits. We enjoyed your company and your teachings. We hope to come back and visit again soon!!

Quadrille is a gem set in paradise, but the crown jewels are Shareen, Megan and Dwight. We have been bothered by the high food prices, both in small and large stores and the Market Place and wonder how anyone can live here. A few tips,
Only plug your electronic devices into a surge protector, we burned a few (NOTE from Manager. Jamaica is 50 cycle not 60 cycle as in US, most electronics work fine, anything that generates heat, curling irons, etc, if left on too long will be damaged. A surge protector will only help if electricity has a sudden influx of power from the electric company. Anything not left plugged in too long will be fine.)
DO go to Dunns River Falls, (be prepared to be wet. Head to toe) Skip Glistening Waters. Shareen is an excellent cook, challenge her to prepare Jamaican dishes. We had Oxtail. Curried Goat, Jerk Chicken. Snorkeling is poor but try it anyway! Request Mr. Fischer to bring fresh seafood.
This resort is an enclave, get outside its walls and meet Jamaicans. We never met anyone Who was not friendly and always smiling.

My Nana took us here to show us the "magic of Quadrille".....something I have been told about since I was little. This trip has been so special.....my boyfriend even proposed to me down at the beach!! This has been such a memorable experience for us and we cannot wait to come back. PS: Shareen has made this vacation so personal and special. Thank you Shareen and Shereka for decorating the Villa and making our engagement PERFECT!!

Don't forget to take a trip down to Fisherman's Beach for handmade woodwork and souvenirs. Bring some dog chow for the puppies too!

A party of seven, first visit for 4, second visit for 2 and third visit for 2! Very first visit to Quadrille Villa for all. The house is amazing, the views are spectacular, and the staff is incredible.
The group explored Jamaica on several occasions but enjoyed the pool and beach as well. We enjoyed the amount of privacy the house provided. Although this isn't a resort experience, it provided the same amenities as a resort!
We discussed our menu with Shareen but ended up changing it twice when we discovered some of her specialty entrees. Her three course meals on a nightly basis were amazing. Our favorites were fried chicken, shrimp with coconut sauce, jerk chicken wraps and Shareen's breakfast pancake/omelet specialty. Let's talk about dessert! – Banana bread, cheesecake and rum cake – YUM!

Best regards and thanks for everything.

Quadrille Villa was the perfect place for our 2nd generation family's Jamaican holiday. The property had everything we needed and more. Enjoying the beach and the Caribbean Sea was just a few steps away...and the sunrises/sets and views were incredible! The staff team of Shareen, Shereka and Dwight were amazing. Shareen's authentic Jamaican meals and fun drinks (rum punch!!) were a

highlight. We appreciated how she adapted to food allergies and restrictions. Shereka kept the house clean, our rooms neat and tidy and even our laundry. Dwight made sure the yard looked great and the pool was ready for us to use. We appreciated them so much!
We're looking forward to when we can visit Quadrille Villa again.

We just returned to Philadelphia after the most wonderful week at Quadrille. Your house is lovely and thoughtful and gorgeous, and I wanted to tell you just how wonderful your staff was to me and my daughters. We've stayed at other villas -- and thought their staff was good -- but Shereka and Shareen and Dwight were so fantastic and made sure we had everything we needed. Dwight even inflated the floats we brought (we left them at Quadrille to add to your collection!), and Shareen fed us like there was no tomorrow, and would bring out special surprise drinks at lunchtime, and even found us some lobsters! We were really taken care of. I appreciated your advice on tips, too, and made sure to leave substantial amounts in the envelopes when we left. We hope to return, and our hearts are definitely at Quadrille. This was our best vacation ever, and that's saying a lot. Thank you for all the work you've done to make Quadrille so beautiful. I still can't believe it was available for the week before Easter, but I'll just take that as an omen that we were meant to be there!

Warmly,

4th Time here!!!Feels like HOME! Perfect weather and we even had a beach at the bottom of the steps! Spent a lot of time in the ocean and the pool was very refreshing.
The food was fabulous, fried chicken, jerk chicken, shrimp, pasta, lobster, key lime pie, carrot cake and so many more incredible dishes to savor. Shareen your cooking is WONDERFUL! Shereka and Shareen, you BOTH really made our trip complete with your detail to service and friendship.

In 2007 I brought a few ladies to look at this amazing property clinging to a cliff overlooking a powdery pink sand beach. We all exclaimed how wonderful it would be to stay there.
Fast forward 17 years and the decision to return to Jamaica and stay at beautiful Quadrille was made. It was a dream, a fantasy come true. Pictures cannot do justice to this wonderful, spacious property. We had massages halfway down the cliff in a gazebo with the roar of the surf in our ears and the Trade Winds blowing our hair and kissing our toes. And every second of every day was an ongoing panorama of the mindboggling view of clouds and horizon and ever changing sea. Quadrille staff are sweet and wonderful. Shareen is an amazing, inventive cook who combines foods and flavors in a unique way. It was always a joy to sit for one of

her meals. Shereka and Dwight add their own vibe, filling out the villa hospitality team delightfully and perfectly. It was one of those amazing experiences where everything was so right you're almost scared to try it again. But you want to! Thanks for everything, Quadrille!

There isn't a single part of this vacation that we consider anything below SPECTACULAR! We soaked in the views daily and could not get enough of the fabulous snorkeling off your beach. Notable sightings included stingrays, flounder, and types of starfish we had never seen before. Shareen, Shereka and Dwight are incredible hospitality professionals. The house was sparkling, the atmosphere was friendly and comfortable.....and OH MY GOD the FOOD was out of this world. There was not a single dish of Shareen's that didn't get rave reviews across the board. We were so impressed by their work and are so grateful to them. Thank you, thank you, thank you for creating this truly special place and letting us have this experience. What a treat to return to the villa that we were married in 30 years ago. This is my 33rd year at Silver Sands and my husband's 52nd! This villa holds so many wonderful memories – It was a delight to share this special year with friends and family.
The girls Shareen and Shereka are loving and attentive to our every need! Shareens Key Lime pie and Banana bread are so yummy! Not to mention her carrot cake!!!
Waking up to the view everyday was just what the doctor ordered. We cannot wait to return next year.

This is the 52nd time I have written in a guest book. We have stayed in many villas and Quadrille is the most special. Nicole and I were married in the Gazebo 30 years ago. Our 30 year journey has gone by quickly and every year is a testament to another year as we return with our children who will maintain the tradition that my Mom started in 1972.
The staff has been extraordinary, exceptionally attentive and accommodating. Shareen is by far the best cook ever with amazing preparation for a large group. Get the key lime pie! We are grateful to the staff for their hard work and dedication. Till next year

Dream Vacation
As my title says, this was a dream vacation. My husband Bruce and I gifted our 3 children and their partners this vacation. We had been dreaming of doing this just before the pandemic started, so it has been delayed a couple of years. But finally we arrived. You never know sometimes how things will be when booking online, sight unseen. I have been disappointed in the past. But I can

honestly say I was 100% satisfied. Lets start at the beginning. One of the easiest bookings I've had to date and she delivered what she promised. Judy Ann - the housekeeper - kept the villa in tip-top shape. Taking care of the needs of 8 of us is no small feat. And she did it all with such grace. Everything was on point from floors, to always having fresh towels, beds made, bathrooms stocked etc without us even noticing her doing it. She also did our personal laundry which we truly appreciated and all of our shopping. Shareen - the chef - at our request, served us authentic Jamaican food. The highlights for us were her grand-mother's fried chicken recipe, jerk chicken, ox tail, whole red snapper. But truly everything was delicious. She did all of this while making special dishes for some who didn't eat fish/seafood, some who didn't eat spicy food, some who didn't eat dairy/eggs and me who is a vegetarian. She made us little surprises like banana bread and cheese cake with rum cream. Delicious! Oh and 1 of us is thankful for her hangover remedy :) Dwight kept the pool and the grounds in beautiful condition and was always in such a great mood. We truly enjoyed seeing him around. The beach and the amenities were just perfect. I could write a novel about the specialness of this place and the staff. You will just have to go and make your own memories. Thank you all you for taking care of our family. Lyne, Bruce, Josh, Chloe, Jordy, Mia, Jordyn and Kyler.

During a time of much stress our family all got together and vacationed at Quadrille Villa. What a magnificent way to vacation!! We have been coming to Silver Sands, Jamaica since 1987 and this Villa and staff are by far the best we have ever experienced. Our only regrets are we did not stay long enough. To Jayne, Doug, Hyacinth and Cheryl,

I am the sister of the writer who penned the above. My family traveled from California to be with my mom and sister and her family. It was the first time that I had seen any of them since 2019. We also have been coming to Silver Sands since 1987 and Julie is right, this was (BY FAR) our favorite Villa ever and our favorite staff ever. Hyacinth and Cheryl were delightful and professional in every way. The food was amazing....always in perfect order and delightfully presented. We absolutely LOVE Jamaica and Quadrille made our vacation that much better.

Thanks to all of you for sharing your space, for all your hard work and for all your time. We plan on seeing you again next year! Much love and peace...

New Years Week 2019

We had a wonderful time! Hyacinth and Sheryl were so welcoming, loving and flexible with our wishes and Hyacinth's food was delicious. We loved being surprised by every Jamaican specialty and it was great not having to cook! We did a few excursions but our favorite thing was wave jumping near the Villa and relaxing looking at the breathtaking view from the outside terrace while listening to the surf! We also enjoyed spending time with Hyacinth and Sheryl and playing all the board games that were provided. We learned a lot about Jamaica culture from Trevor Cameron (the Quadrille driver).....he was fun and engaging! We will dream of Quadrille at night and we hope to return.

Christmas 2018

This was our first visit to Quadrille and it will not be our last----we loved it! We were here with one son, wife and three kids and they had a great time. The beach was definitely the kid's favorite past time. We found the Villa so comfortable and SO COZY. The view is amazing but the best part for us was the constant sound of the surf on the beach below the house! What can we say about Hyacinth and Sheryl---they not only are wonderful, warm and loving---they are amazing at their jobs. Totally beautiful people inside and out. Hyacinth's meals were perfection in motion. Thank you, Doug and Jayne, for creating this little piece of Heaven----this home and the service provided is really a paradise!

OMG.....it's over....our week of sheer joy and relaxation. As a Jamaican, I expected all of this beauty and love that I again found in my people. When you see the warm smile of a Jamaican.....you know it's real!

Our family experienced real smiles and we were shown warmth by all especially from the two ladies here at Quadrille....my "mom" Hyacinth and my "Auntie Cheryl". We love them.....our children love

them and my husband loves them. Quadrille is named after our old Jamaican folk dance and is an amazing villa! The views are pristine and breathtaking. We will be back!! Doug and Jayne.....thank you so very much!!

Quadrille was superb as usual.....the Villa was magnificent and Hyacinth did a great job cooking stuffed crab backs, barracuda and mahi mahi for us..... Do not miss her carrot cake as we had that too for a birthday celebration!
We also saw a humpback whale on our fishing expedition on the North Coast. Who would have thought our little fishing trip would turn into a whale watching expedition!!?

Hoping to return later this year to catch some wahoo, more mahi mahi and tuna!!

This beautiful home was the place that we came together for the first time to celebrate Grandpa Yun's 60th birthday. There were many highlights at Quadrille including:

..... pretty landscaping

..... relaxing gazebo with two hammocks

.....sunsets on the balcony overlooking the ocean

.....secluded private beach

.....delicious home cooked meals

.....rum cocktails on the deck

.....snorkeling right off our own terrace with all the fish and rays

.....buying and eating fresh lobster right at the villa

Hyacinth and Cheryl took great care of us and accommodated all our requests. We will remember this vacation fondly and hope to be back soon!!

Christmas 2016 thru New Years 2017

A home away from home.....Quadrille Villa for Christmas 2016 and New Year's 2017

What a beautiful home.....so picturesque and tranquil.....but with a hardworking and welcoming staff. Hyacinth kept us well fed with incredible meals. Cheryl was so accommodating and was always anticipating all our needs for our large family. As a mother of three children, enjoying a vacation where I don't have to manage my families' laundry while planning and cooking their meals is a wonderful break for me!! I cannot thank Hyacinth and Cheryl enough for providing me with this much needed respite from my routine.

While this is our third trip to Silver Sands, we particularly loved your villa - the set-up, design, decor, the views, ocean front location, easy beach access, beautiful gardens, privacy, staff, pool, hammocks, etc etc. It was perfect for us.

The small bit of constructive feedback that I would give is regarding the master bed. My wife has a bad back and the stiffness was a challenge for her. Obviously, this is to personal taste so not a big deal in the big picture, but wanted you to know. Nonetheless, all-in-all, our experience was a 10 out of 10.
We LOVE Silver Sands.....the beautiful beach.....and had fun shopping at Fisherman's Village.....(just a short walk away). We enjoyed a trip to Dolphin Encounters and great food at Scotchie's and Miss T's in Ocho Rios.
All in all.....a GREAT vacation from start to finish. Thanks to everyone who made this a vacation none of us will ever forget!

My daughter celebrated her 40th birthday this year and as both her and my son have recently married, we have a much bigger family. We wanted to do something special as a "new" family and SPECIAL this was!!

The views from the Villa have to be one of the prettiest in the Caribbean. We thought we would take more excursions but found we were happiest just staying here and enjoying the beauty and the serenity. Hyacinth's reputation as a good cook is well earned and Cheryl is so sweet and accommodating. Curried goat, lobster, conch, Curried shrimp and noodles....YUM! Thanks Hyacinth! We hope to return soon!

This is our 3rd stay at Quadrille and again it was superb. A chance to relax and eat Hyacinth's great food! On you next visit you MUST ask Hyacinth to bake you a carrot cake and cook her signature "bitter callaloo". Cheryl's advice on motorcycling in Jamaica was invaluable and I think that she is a secret "biker".....

Oh.....and the dolphin (Mahi-Mahi) that was cooked for us was the best in the world. Hopefully we will return again.....or we might be next door neighbors!!

This has been one of the most fulfilling vacations for our family ever. Quadrille exceeded our expectations with its aesthetics, fabulous staff and peacefulness. Our meals were prepared with expertise by Ms. Hyacinth and our living quarters were well maintained by Cheryl. The beautiful grounds added a wonderful ambiance and were maintained by our grounds man. All of the aforementioned combined with the stunning view offered the tranquility that each member of my family adored. We also want to thank Kirk Grant, our driver, who spoke very highly of Quadrille. His remarks influenced our decision to stay here! God willing we will be back!! We recommend visiting Negril, The Blue Hole in Ochi Rios, Luminous Lagoon in Falmouth, River Rafting in Martha Brae and water tubing at Rio Bueno.....!! You may reach Kirk at 876-420-4979. He is safe, dependable and protective!!

What a wonderful and relaxing week! Thoroughly enjoyed the warm weather, delicious food, beach and pool.....along with the superb accommodations! Snorkeling right off your beach steps was particularly rewarding with eels, rays, lobster and fish of all types and variety. And I cannot forget to thank you for all the kind hospitality!

Quadrille Villa exceeded all our expectations. Our group of six have had a magical and restorative time at this wonderful home. The food was simply outstanding as Hyacinth is a master chef! We just let her handle all of the decisions about food and she took perfect care of us. Sheryl is kind and gentle....LOVE HER! Actually.....we adore them both. Thanks to Dwight too for the magnificent garden.
Swimming every morning on Silver Sands beach was exquisite as were the moonlight swims in our pool. Sleeping late and card games with the whole family while never worrying about tomorrow was heavenly!! Oh.....and the rum punch and the "dirty banana" drinks at the bar helped a little too. It was a perfect vacation! Thank you to everyone for welcoming all of us to Silver Sands and Quadrille Villa!!

Thank you for giving me such a great vacation away from my snow shovel! I was beginning to think that it was attached to my hand!! Can't wait to get back to Jamaica and Quadrille next year.

Another superb Jamaican holiday! Just marvelous and Hyacinth, Sheryl and Dwight took great care of us once again.

This is always one of my favorite weeks of the year and I was thrilled to be able to share it with my favorite people. Hyacinth has again WOWED us with her cooking and hospitality. We are going home a few pounds heavier but much more relaxed and are already looking forward to next year. Thank you so much for everything!

Quadrille Villa was more than we could have hoped for! We had six children, a son-in-law and even an 18 month old grand-daughter that joined us and everyone had so much fun. The view is breath taking and our own private staircase to the beach were some of the high-lights of this wonderful place! We realized how blessed we were to be here for a week as I am SURE this is the most beautiful home in Silver Sands. The beach was pristine and the sea was warm and clear. Tennis and football were the sports of choice for our sons. Hyacinth and Sheryl were wonderful with delicious smells coming from the kitchen and the anticipation of what amazing meal was next! We sat on the terrace at nights and watched the beautiful stars and enjoyed the tropical breezes. Trevor (your/our driver) was a lovely person.....kind, patient.... and he even took us to church twice! Thanks to Dwight too for the beautiful gardens and sparkling clean pool. Our rooms were spotless with fresh towels daily.....we loved it.
We hope to return someday soon for another amazing vacation at Quadrille!!!

Quadrille was an amazing place to have a vacation! The ocean, pool, gazebo and the wonderful meals were all amazing.....including Cheryl and Hyacinth. I would definitely come here again. I have been to Jamaica before but I have to admit that this trip was one of the best! We were so lucky to have been invited to Quadrille and hope to come again. This was our third time to Silver Sands and our first visit to Quadrille. This was a wonderful ten day vacation and a total departure from our daily lives. The villa is absolutely beautiful with its gorgeous views, wonderful layout and fantastic décor!! I always say the staff makes or breaks the vacation. Well, I must say that Hyacinth and Cheryl definitely made this work. Three meals a day with incredible Jamaican dishes with exceptional desserts was always a treat. The house was spotless and the pool (thanks to Dwight) sparkling. Thank all of you for everything you did for us!

Summer with friends.....

Dear Hyacinth and Sheryl,

Although our time spent together was short we felt very welcome and at home at Quadrille. Although we were out of the house traveling about for a good portion of our visit seeing the sights and touring Jamaica, we always came back to a spotless Villa and a nice home cooked meal. We are desperately in need of a Quadrille cookbook/menu. Never the less the food was "YUM".....as one if us put it! The view was amazing along with the stairway to the water and the hammocks in the gazebo being a few of my favorite things about Quadrille. But even this does not scratch the surface of the fun and excitement we shared at this home. One of our group mentioned that this Villa was the nicest he had ever seen and wished he could steal the house and take it with him!!

Thank you for everything!

Dear Hyacinth and Sheryl,

We love Quadrille and the exceptional service you provided for our families 3rd reunion. You took such good care of us with the dinners, cleaning and washing and we enjoyed ourselves immensely! Our family is definitely looking forward to our 2016 reunion and we plan to return to Quadrille. We feel as though you are part of our family now after all the good times we spent at the villa with you. Again.....thank you for making our family reunion such a success.

We spent four nights and five fantastic days at Quadrille. We enjoyed lots of great activities which included Dunn's Falls, sport fishing (they were delicious) and plenty of beach and pool time. At the heart

of this wonderful experience were Hyacinth and Sheryl. They made us feel so comfortable and advised us about everything from A to Z. We had wonderful family meals in the Villa including lobster, pumpkin soup, festival (a Jamaica hushpuppy), fish and tasty desserts WOW! We all felt as though we were experiencing true Jamaican culture. Thanks to Dwight for the beautiful garden.....and thanks to Doug and Jayne for taking such good care of your beautiful villa...it shows! We will miss the amazing panoramic view, the crystal clear water and the great weather. Most of all we will miss Hyacinth and Sheryl. You both warmed our hearts.

March 23rd - 30th 2013

My husband planned this trip for myself and our six children for Spring Break. Although it took us ten hours and a connection to arrive in Montego Bay we were happy as the weather was warm and sunny. We were greeted by Kirk and Trevor.....our drivers for the week that work with Quadrille and guests. They were friendly, warm and welcoming....what a treat! They answered all our questions and were our personal guides for the ride to Quadrille.

All of our jaws dropped when we pulled in front of this beautiful home with its white fence and manicured gardens. We were greeted by Hyacinth and Sheryl. They had dinner cooking and the house smelled great! I walked through this magnificent home to the terrace overlooking the sea and saw the breath taking view. I was so overwhelmed I started to cry. My husband said that he thought the reality of Quadrille was better than the pictures that he had seen!

Our week here has been amazing with great golf, massages, Dunn's River Falls, zip lines and caves. I wish I could take Sheryl and Hyacinth home with me as we have made friends and shared stories. I feel blessed to have met them as well as Trevor and Kirk. Thank you for sharing this absolutely wonderful home with us and we will spread the word to our family and friends about this diamond on the Jamaica seashore. This was a trip of a lifetime!!

Hyacinth & Cheryl: I have a BIG problem. I can not go back to work because:
1. The dermatologist are all going to yell at me because I got too much sun!
2. My brain has stopped working because I am so relaxed.
3. My clothes won't fit! (and my daughter now calls me Miss Split Pants!)
So, I may have to just stay here!
Thank you for taking such good care of me (us!).

Christmas/New Years 2012-13

The onset of rain on the final day of our stay has done naught to dampen our festive spirits. The perfect combination of sun, sea and warm hospitality ensured that our first Jamaican Christmas was one which will be repeated!

Quadrille Villa has been beautifully renovated - by far the best Silver Sands has to offer.

A big! Thank you to Hyacinth and Sheryl for looking after us all.

Quadrille is Paradise.....
An experience for a lifetime, remembered for a lifetime.
Sometimes you are lucky enough to experience something you are never to forget and what you measure everything else from. For me that place is Quadrille.
Quadrille's presence with its 180 degree views of the water and beach below is indescribably beautiful and peaceful.
The house is so well maintained, elegant in every way and offers much privacy for every guest there.
Surprising, the house is a home in many different way.
As a host, you welcomed me, made me feel so comfortable and were interested in making sure that my visit was the best that it could be.
The personal care and attention given by your staff Hyacinth and Cheryl made my visit there very pleasant as well. They were actually interested in making sure that they could do everything they could for me. Their wonderfully prepared meals were very much appreciated.
My shopping experience with Hyacinth was exciting, educational and I felt protected at all times.
I appreciate your hospitality, our conversations and the fun we had while in Jamaica.

Jamaica is beautiful! Quadrille makes it magical!

We came for my 40th Birthday with friends from all over the world to celebrate a milestone and Quadrille helped make it perfect! We have stayed in other villas but none of them compare to Quadrille. The house is beautiful, the views are breathtaking and the staff is superb. Together it adds up to a magical experience.

We will be back and so will many of our friends (and their families) that came on this trip with us. Thank you for the moments and memories that will endure!

This was the perfect honeymoon spot! We had never stayed in a villa before and we didn't know what to expect. We were pleasantly surprised! Hyacinth and Cheryl were so nice and kept the house spotless and our laundry clean. The food was really great!! Another thing we enjoyed staying at Quadrille was having the fresh lobster, fish, fruits and vegetables brought to our door each day.

The view was unbelieveable! We will never forget this experience!

Paradise....

.....that description keeps coming to mind as I think of Quadrille and my nine days here. The majestic and beautiful ocean at my fingertips while the wonderful spirits of Hyacinth and Cheryl attend to my needs and comfort. The smiling "hey 'mon" from my pool man and gardener every morning made for a

beautiful experience during the most trying time of my life. I shall always remember Quadrille.....and Hyacinth, Cheryl and Dwight.

Easter 2012

Quadrille was a last minute choice for our Spring Break of seven ranging from two to fifty years old. I have been coming to Jamaica for over half my life.....happily my accommodations have improved with each successive visit. The constancy of the colors, aquatic fauna, the weather and especially the warmest people with their incredible fusion cuisine amazes me the most. Coming from the frozen tundra we appreciate the ever present warm trade winds, warm sun and sand. Nothing beats the fish man coming to the house every day, the tree and vine ripened fruit delivered to your door daily and the indescribable scent of hand washed laundry hanging on the line. Life at a Jamaican villa like Quadrille is incomparable.

This is our second time at Quadrille and once again it was wonderful! Cheryl and Hyacinth took care of our every need and created wonderful meals. This week was the ultimate vacation.....a total departure from our daily lives! Quadrille was

phenomenal, gorgeous, perfectly appointed with a great lay out. Hyacinth and Cheryl were very welcoming and amazing. They were so accommodating and patient and seemed to anticipate and meet our every need. The Silver Sands community had just the right amount of fun and "hands off" feel.....

We snorkeled, boogie boarded, swam, danced and fished. What more could anyone ask for? This was truly a trip of a lifetime and one we will never forget.

So sad to leave Quadrille. This home is amazing!! Cheryl and Hyacinth are wonderful ladies and I will truly miss their food and company! The bar tenders at the beach were so friendly and fun. Definitely set aside some time to go fishing and snorkeling with Leon.

March 2012

I'm sitting on the patio with a pleasant breeze on an 84 degree day (March) watching some of my kids play in the beautifully crystal clear ocean as my wife and other kids Cherare lying around the pool. Hyacinth (the villa cook) is busy fixing a tremendous lobster dinner in the kitchen Cheryl (the housekeeper) is dutifully finishing tiding up and doing all the laundry. I'm wondering what the rest of the world is doing?

This is and has been just too good to believe and it all started so horribly. I'm a detail oriented planning kind of guy. For those like me, you know it's a blessing and a bane. We usually use VRBO to go on our adventures and I did all the prerequisite work/research and had booked a Villa thru them before Xmas. Sadly to find out later that their site had been hijacked and the down payment funds paid were long gone. Worst of all when the scammer came back for the rest of the money and we wanted to work with VRBO to catch him they couldn't be bothered and even denied any wrongdoing or responsibility essentially blaming me for using their inquiry tab. How dare I. Anyway that saga has been documented elsewhere and with so many fellow victims coming forward it's crazy. Crazier is how VRBO treated the actual Villa owner blaming her as well and losing her listing. The silver lining and beginning of the ecstasy was the original rental owner (whose Villa wasn't really available) worked so wonderfully with us to find Quadrille thru a friends service Jamaican Treasures (highly recommended.)

Quadrille - start by looking at the pics provided and you should get a good idea of the basics. Incredible views, quality accommodations, spectacular setting just to start. The transfers to and from the Villa are Included which if you know what the fees can be it’s a nice touch. We arrived very late, just after midnight and upon walking in the door there was Hyacinth and Cheryl to greet us and provide a much appreciated late night meal of hearty warming chicken soup and the best darn tuna fish sandwiches any of us have ever had. After a detailed tour, we explored, stood on the deck and had a few drinks then settled down to a well-deserved nights rest.

The next morning we awoke to a scrumptious breakfast with our discussed favorites and more. We had prearranged that we liked certain things and also asked if Hyacinth would please feel free to fix us local specialties and her own favorites. We can't tell you what a good idea this was. For the past week have been dining like Jamaican royalty. Breakfast is promptly at 9:30, lunch (if you've got room) Fish and Dinner at 5:30. We thought it a bit late for breakfast and early for dinner and we were wrong, it's perfect. We had planned to dine out often and ended up dining off property once and lunch twice at the

clubhouse so hopefully that says something as well.

The property is in exquisite shape and the ladies and Dwight (the gardener) keep it clean to perfection. While Hyacinth is keeping our belly's full, Cheryl is keeping everything spotless and in place. She did our laundry "everyday" so you can truly cut down on the packing especially the undergarments as two pair would be plenty. Fresh towels both shower and pool every day, fresh linen, and so much more.

I have to be honest and say that we didn't really enjoy our first excursion out of the Silver Sands facility. Sadly the economic plight is such that we were completely overwhelmed with the misrepresentations and outright scams we were subject to nonstop while using the Chukka service and at normal local businesses. It was so bad that we opted out of the rest of our plans. I won't go into detail because you can find that elsewhere but I only bring it to light to tell the rest of the story.

Along with Quadrille you get to be part of the Silver Sands resort community. It is more of a laid back collection of homes with a common beach area that serves the community with a bar, snack bar and small but surprisingly well stocked mini store. There's beach toy rentals from boogie boards to wind surfers and the staff is part of what we think most of us came here for. Needless to say we loved their service from the funny bartenders, accommodating lifeguard and dancing beach attendant. They kept us laughing and taken care of as well. And the pricing was sooo fair (you can run a tab for your whole stay). Which only made Quadrille an even better experience.
So besides a trip to Evita's (recommended) we stayed the rest of our trip on property at Quadrille & the clubhouse and couldn't be more pleased. You'll need more suntan lotion than you ever thought possible. Depending on the season & maybe a bit of off. But the ocean, the view, the Villa, the staff, the pool, the sun, the food and drink more than made up for anything that was unfortunate. So come to Jamaica, rent Quadrille and there will be "no problem".

Sorry gotta go the lobster is ready and we never keep Hyacinth waiting. - cheers!!!

Ps I never mentioned the twin hammocks in the gazebo, shame on me ;-)

What is not to love about Quadrille? We were fortunate to receive a gracious invite to join three other couples on their (6th) visit to Jamaica. Our stay completely surpassed our greatest expectations! From the well-kept grounds and gorgeous home, the glistening waters of the pool, the full ocean views, the hammocks in the gazebo below, to the easy access to the beach...incredible. Quadrille is Silver Sands best kept secret without a doubt, and truly lovely. Both ladies were gems and made Quadrille feel like home away from home. Thank you kindly Hyacinth and Sherri for making our stay so memorable! We hope to see you both and Quadrille again soon.

thunderstorms were welcomed. We got our exercise on the stairs but is was well worth having our own exclusive beach and snorkeling area. When we come again next time it will feel like returning home.

6/17/09 - 6/24/09 What a wonderful vacation! Wish we could find a way to stay longer. Quadrille is gorgeous and the landscaping is a perfect fit. The ocean view is spectacular as is the snorkeling. April 4-11, 2009 This was our first villa vacation and WOW. We know that this home is different. Hyacinth, Cheryl and Dwight are good guardians of the property and warm hosts.

Our 11 year old triplet girls just loved the mongoose, kitties, lizards, birds and flowers..... Snorkeling was so easy off the bottom of the stairs.....and surfing was also the best just off Quadrilles stairs. **The Lundstens**

March 1-8, 2009

We're heading down for one last swim in the sea before we begin our trip back to the chilly north. We've had a great time at Quadrille - the villa is beautiful! And, of course, we've been treated wonderfully by Hyacinth and Cheryl !!!! To Jayne and Doug - Many thanks for loaning us your "little slice of paradise"! **S and L Sharpe and Family Toronto**

2/24/09 Realizing this morning that it was my last morning at Quadrille (this time), I went outside and tried to figure out how to bring home the smells and colors of the front yard. Then, I came inside and tried to figure out how to recreate those astonishing breakfasts on the veranda. Then I walked down to swim in the sea - - and realized the only way to do this is to look longingly at my Quadrille calendar and plan to come back as soon as possible! Thank you to Hyacinth and Cheryl for pampering and feeding us. And to Jayne and Doug for making Quadrille more exceptional each year! **XXX- J.G. Rawson, and Skip too!!!! Princeton, NJ**

1/3/09-1/9/09 We don't want to leave.....We've been hearing about Quadrille now for over a year, but all the pictures and all the stories don't do this wonderful place justice. We had the most amazing time. We wish we could bottle up the waves and bring them back home with us. Thank you for sharing this most wonderful home with us. Happy New Year! **Kristy and Dave S Troy, Michigan**

"Life is not measured by the breaths we take; but rather by the moments that take our breaths away". A heartfelt thank you from both my husband Peter, and myself and our children for allowing us the pleasure of experiencing a wonderful moment in our lives we will cherish forever. Warm beautiful smiles
and bear hugs from Hyacinth and Cheryl greeted us on our very first day and we embraced them as our family here in your home. Every meal was prepared with love and each and every detail right down to the beautiful fresh flowers on our table and in our rooms, made us feel special and welcomed. Hyacinth a special thank you for all of your delicious deserts and endless magnificent food. Cheryl, thank you for all your pampering. Quadrille is the best kept secret in MBJ, that we will share with all of our family and friends. Warm, genuine, gracious hospitality and a whole lot more that you have to experience to appreciate - until next time - Thank you again for the wonderful time we all had at beautiful Quadrille. Much love and our very best, **Peter and Carla M Marietta, Georgia**

12/26/08 This was our first visit to Jamaica and after spending the last seven days here, I can say it will not be our last. The nine of us were treated like royalty by Hyacinth and Cheryl. Their smiles, home-made meals and stories made Quadrille feel like a home away from home. The night time stars, the beach front, the ocean and the music made this Christmas trip so special. It's going to be difficult going home to snow and ice cold, but the warm memories (and temperatures) will linger throughout the winter. I truly believe Quadrille is the best of Silver Sands. The views of blue, the hammocks, the soft powder of sand, a palm tree garden and the best food....., oh our list could go on and on. Thank you. Much love, **Roland R, Judy R and Baby Grace and the family Toronto, Canada**

4/26/08 Quadrille is the place to be. It's full of surprises to say the least. The hired help is just awesome! Hyacinth & Elaine are their names. Just take a short walk and a Jamaican man is cleaning his fish of the day. The surroundings make you feel like royalty is my name. The breeze from the ocean is so spectacular on my face. The inner calmness that brings you to that meditative state. Make sure you have your sunscreen or just sit in the shade, go swimming or be lazy and float for the day. Relax in the hammock with your favorite good book! I just fell asleep and felt so at peace. There is just so much for me to explain! All the wonderful moments all through my stay. It taught me more about what to appreciate...it brings tears to my eyes. That's life, time to say goodbye. Thanks for the wonderful friends, and new ones I've made. Thanks for all the blessings that have come my way, snorkeling was like amazing grace! These memories will truly be in my heart always. I will cherish these days.

Yolanda P.S. By the way when you take the back steps it will make you realize, it's time to hit the gym!

Let us tell you about this place in Jamaica!!!

Nestled among the hibiscus, bougainvillea, coconuts, orchids, butterflies and birds is Quadrille...a beautiful glimpse of paradise on the north shore of Jamaica. Sitting high on the cliffs overlooking the Carib Sea, Quadrille welcomes each guest through its newly-built entryway. Hyacinth & Elaine welcomes us with huge smiles and open arms, welcoming us back for our second visit. The kitchen is already full of the wonderful smells of Hyacinth's baked chicken and key lime pie. As Elaine and I exchange hugs and

kisses, the view of the Carib Sea past the shiny marble floors beckons to all of us. We already feel at home !!! The new appointments to the living room are perfect. Hyacinth & Elaine, both, take us on a tour, being so happy about the newly-decorated bedrooms, all so handsomely and tropically appointed. Everything is so sparkling white, clean and perfect to frame the views of the ocean. The pool glistens below us !!! The red steps to the gazebo and on to the sea are lined with new rope handrails, blending beautifully with the tropical plants and flowers.

Paul and Denton (our drivers) made sure our holiday was nothing short of exceptional. Both gentlemen were very knowledgeable and courteous, taking us wherever our hearts decided. And the meals were spectacular with Hyacinth's little Jamaican secrets, which made every dish special and prepared with love, just for us. The mornings with our Blue Mountain coffee, watching the sun come up was a special treat, especially when a rainbow over the sea decided to show its wonderful colors to us. The sunsets were spectacular and the full moon was just an added bonus. Thanks too to John the Fisherman and our dear friend, Lawrence, on the beach.

When Paul picked us up at the airport, we knew we were back, happy, and so blessed to experience everything that makes Quadrille the best house in Silver Sands.

With warmest regards, Brad, Mary, Bob, Joe, Billy & Donnie

8/8/2007 We were thrilled to visit Quadrille as guests this time instead of owners. The improvements you both worked so hard on look fantastic. Hyacinth and Elaine.....we love you!
